ANNUAL AUDITED REPORT  
For the Years Ended  
December 31, 2007 and 2006

INDEPENDENT AUDITORS' REPORT

Board of Directors  
Warner Financial International Incorporated  
Rockford, Illinois

We have audited the accompanying statements of financial condition of Warner Financial International Incorporated as of December 31, 2007 and 2006, and the related statements of income, cash flows, and stockholder's equity for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Warner Financial International Incorporated as of December 31, 2007 and 2006, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS  
For the Year Ended December 31, 2007

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Operations

The Company operates as a registered securities broker-dealer, located in Rockford, Illinois. The Company's primary sources of income are commissions on sales of mutual funds and other financial products.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting whereby revenue is recognized when earned and expenses are recognized when incurred.

Comprehensive Income

Accounting principles generally require that recognized revenue, expense, gains and losses be included in net income. Although certain changes in assets and liabilities, such as unrealized gains and losses on available-for-sale securities, are reported as a separate component of the equity section of the balance sheet, such items, along with net income, are components of comprehensive income.

Furniture, Equipment, and Depreciation

Furniture and equipment contributed as capital at date of incorporation are valued at estimated fair market value, in the amount of \$10,000. Furniture and equipment acquired after this date are accounted for at cost. Depreciation of furniture and equipment are calculated using the accelerated method over estimated useful lives of five to seven years, for financial statement and income tax reporting purposes.

Repairs and maintenance are charged to expense when incurred and renewals and betterments are capitalized. When fixed assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts with any resulting gain or loss reflected in income.

Income Taxes

The Company, with the consent of its sole shareholder, has elected under the Internal Revenue Code to be an S Corporation. In lieu of federal corporate income taxes, the shareholder of an S Corporation is personally taxed on the Company's taxable income. Therefore, no provision or liability for federal income taxes has been included in the financial statements. The Company is subject to Illinois corporate income tax.

NOTE 2 - MARKETABLE EQUITY SECURITIES

Marketable equity securities consist of mutual funds. The securities are classified as available for sale and reported at their current market value. For the years ended December 31, 2007 and 2006, marketable equity securities had a total cost of \$42,582 and \$42,328, and an estimated fair value of \$38,263 and \$33,023, respectively. Unrealized loss at December 31, 2007 and 2006, was \$4,078 and \$9,318, respectively. The net change in unrealized gain (loss) for the years ended December 31, 2007 and 2006, amounted to a net gain of \$5,240 and \$2,928, respectively.

NOTES TO FINANCIAL STATEMENTS (Continued)  
For the Year Ended December 31, 2007

---

NOTE 3 - REGULATORY CAPITAL REQUIREMENT

Regulatory agencies require the Company to maintain a minimum net capital of \$5,000. "Allowable" assets for the regulatory computation exclude the net book value of furniture and equipment and also exclude 15 percent of the estimated market value of certain marketable securities. At December 31, 2007 and 2006, the Company's regulatory net capital was \$59,975 and \$32,786, and exceeded the minimum amount by \$54,975 and \$27,786, respectively. The ratio of aggregate indebtedness to net capital at December 31, 2007 and 2006, was .01 to 1.

NOTE 4 - MEMBER REGULATION CONSOLIDATION

The Company received a one-time payment of \$35,000 as a result of the National Association of Securities Dealers, Inc. (NASD) and the New York Stock Exchange (NYSE) Member Regulation consolidation to create the Financial Industry Regulatory Authority (FINRA).

Supplementary Information Required by Rule 17a-5  
of the Securities and Exchange Commission

Board of Directors  
Warner Financial International Incorporated  
Rockford, Illinois

We have audited the accompanying financial statements of Warner Financial International Incorporated as of and for the years ended December 31, 2007 and 2006, and have issued our report thereon dated January 16, 2008. Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II, is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

SUMMARY OF AUDIT ADJUSTMENTS  
TO COMPUTATION OF NET CAPITAL REQUIREMENT  
December 31, 2007  

---

Net capital as previously reported in the Financial and Operation Combined Uniform Single Report - Part IIA (unaudited)	\$ 60 623

Board of Directors  
Warner Financial International Incorporated  
Rockford, Illinois

In planning and performing our audit of the financial statements of Warner Financial International Incorporated for the years ended December 31, 2007 and 2006, we considered its internal control structure in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We noted no matters involving the internal control structure and its operations that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Company's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements.

Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that the structure may become inadequate because of changes in conditions or that the degree of compliance with the structure may deteriorate.

This report is intended solely for the information and use of the Board of Directors, management, and regulatory agencies.
